Rules Coordinator
Liquor Control Board
Olympia, WA 98504

Dear Ms. Berntsen:

As an out of state brewer, we would be very much in favor of this change. We sell beer in many states, and Washington is one of the few to collect tax from manufacturers. Because it is also our neighboring state and consequently one of our most important markets, this would be of direct benefit to us in saving accounting paperwork. Thanks for asking.

Sincerely,

Fred Bowman
